Instructions for Completing the Credit Card Payment Form

Credit Card Information

- Fill in all credit card information including the payment amount to be charged to your credit card and your signature. The United States Patent and Trademark Office (USPTO) cannot process credit card payments without an authorized signature.
- The USPTO does **not** accept debit cards or check cards that require use of a personal identification number as a method of payment.

Credit Card Billing Address

- Address information is required for credit card payment as a means of verification. Failure to complete the address information, including zip/postal code, may result in the payment not being accepted by your credit card institution.

Request and Payment Information

- Provide a description of your request based on the payment amount. For example, indicate the item as "basic filing fee" (patent) *or* "first maintenance fee" (patent maintenance fee) *or* "application for registration" (trademark) *or* "certified copy of a patent" (other fee).
- Indicate the nature of your request by the type of fee you wish to pay: Patent Fee, Patent Maintenance Fee, Trademark Fee or Other Fee. Complete information for each type of fee as applicable to identify the nature of your request. Indicate only one type of fee per form.
- If you are requesting and paying a fee based on a previously filed patent or trademark application, indicate the application or serial number, patent number, or registration number that is associated with your request. "Other Fee" is used to request copies of patent and trademark documents, certified copies, assignments, and other information products.
- IDON numbers are assigned by the USPTO for customers ordering patent and trademark information and products specified as "Other Fee" on the order form. If you have been assigned an IDON number from a previous customer order, include it with your request.
- For more information on USPTO fees and amounts, refer to the current fee schedule at <http://www.uspto.gov>. To request a copy by mail, contact the USPTO General Information Services at 800-786-9199 or 703-308-4357.

Important Information

- The USPTO will not include the Credit Card Payment Form among the patent or trademark records open for public inspection. Failure to use the Credit Card Payment Form when submitting a credit card payment may result in the release of your credit card information.
- Information on mailing addresses is available at <http://www.uspto.gov> (under site index-addresses, mailing). You may also contact the USPTO for additional information or to request a copy of the *Basic Facts about Patents* or *Basic Facts about Trademarks* information booklet by calling 800-786-9199 or 703-308-4357.
